# PRICE CHECK, STOCK CHECK & AVAILABILITY

*Empower allows you to easily view availability of an item across all facilities and provides up-to-date ETA information to see when stock is due into a facility. You can also check your pricing for items in this screen.*

Once you arrive at the product detail page by entering an item number into the search box or by using the guided search function from the 'Product' navigation at the top of the page, you can see the item's pricing and availability.

- Your pricing (account and list price) is displayed, as well as the Price Plan indicator.
- Inventory across all facilities shows in a one-page view with your home and ADOT facilities highlighted at the top of the list.
- To check availability closest to your customer, enter their zip code.
- To check an ETA for a facility, you can hover over the facility, and a box will pop up with the ETA.
- To check the ETAs in all facilities, select the 'See ETA for all Facilities' link.
    - This will open a pop-up box that will display the Estimated arrival Date and item Quantity due at each facility.
    - ETAs are an estimated date of when the item will be available for sale.
    - ETAs are subject to change; Check back for the most current ETA available.
- The 'Not Stocked' icon displays when the item is not stocked at that facility
- Note: If applicable, important information will be displayed at the top of the screen in a yellow box. This may include:
    - Out of stock notification
    - Discontinuation status
    - Item preauthorization requirement

- Use 'Also Consider' to view complementary items.

You can narrow your search results:
- Select the Category links
- Check a box in one of the provided Subcategory
  - Brand, Diverse Supplier, ETC

You can compare multiple items.
- Check the box on the items you want to compare,
- Select the "Compare Selected" button.
- The items will appear in a box like below.

You can add items to a shopping list.
- Check the box on the item you want on the list
- Select the "Add Selected to list" button.
